Higher Education Loan Authority of the State of Missouri ("MOHELA", hereinafter, "Employer") appeals from the trial court's judgment denying its Motion to Compel Arbitration of the employment-related claims lodged by Angelina Jackson ("Employee").

AFFIRMED.

Division Four Holds: The trial court appropriately determined Employer failed to establish a valid arbitration agreement was formed as between Employer and Employee. We find the plain and unambiguous language of the ADR Policy clearly manifests an objective intent to present a policy, not an offer.
